Event Locations....

Options for ceremonies or receptions include either **The Historic Hammock House** OR **The Main Riding Barn**. Both locations are beautiful and charming in their own unique ways. The Hammock House can accommodate a fully-indoor reception for 25 people. From 26- 100 people at either location, a portion of or all of the event activities and set-up would require the use of outdoor spaces.

Overnight Accommodations

Historic Hammock House

The Historic Hammock House is a beautiful, old-Florida style Ranch home with four bedrooms and four full bathrooms. It offers a large and spacious floor plan with open layout living room, kitchen, dining room, game room, utility room, and lush acreage in the front and back of the house that is easily used for event spaces.

In addition to the house, this location also offers a rustic style barn that is easily set for cocktail hours, receptions, or unique photo shoots. The Hammock House is truly a multi-space event location that requires minimal set-up and no drive time between ceremony, cocktails, and reception.

The house sleeps a maximum of 16 guests, making it the perfect option for the bridal party to stay overnight the day before.

Glamp Sites at Main Riding Barn

Turn your Rock Springs Guest Ranch wedding into a full weekend celebration with our elegant glampsite accommodations. Nestled beside the horse pastures and just steps from the Main Riding Barn, our luxury canvas tents offer the perfect blend of rustic charm and modern comfort. Each glampsite features a cozy queen bed with additional twin bunks and trundle, hotel-quality linens, heating and air conditioning, interior and exterior lighting, and a private fire pit for late-night toasts under the stars.

Couples and guests can wake to the soft sounds of the horses nearby, sip morning coffee in the fresh country air, and enjoy the convenience of staying right on property—no need to travel between venues. Whether you reserve a single glampsite for the wedding party or book the entire area of 6 sites for family and friends, the ranch's peaceful setting and thoughtful amenities create a truly immersive experience.
